## A Letter from Our Bishop

Dear Brothers and Sisters in Christ,

Sharing the good news about God's design for marriage and responsible parenting is the purpose of Natural Family Planning (NFP) Awareness Week. This annual national educational campaign sponsored by the United States Conference of Catholic Bishops (USCCB) will be celebrated from July 23 through July 29 under the theme: "Its time! Say "Yes" to God's plan for married love." This week also marks the 49th anniversary of the papal encyclical, *Humanae Vitae*, which articulates Catholic beliefs about sexuality, conjugal love and responsible parenthood. NFP Week provides a wonderful opportunity to share the truth and beauty of our Catholic teachings about married love, especially in today's culture of confusion and misunderstanding about marriage and human sexuality.

NFP upholds Catholic teaching on married love by respecting "the God-given power to love a new human life into being" (US Bishops, *Married Love and the Gift of Life*, 2006). Through an expression of reciprocal personal parenthood without breaking the "inseparable connection" between the unitive and procreative meanings of the conjugal act that are written by God Himself into the nature of the human being (HV, no.12).

Modern NFP methods are scientific in their biology, relying on natural methods to help couples plan their families and respecting God's gift of fertility to women. Couples learn how to identify and interpret the natural, observable signs of the wife's fertility cycle. As NFP becomes a way of life, both husband and wife share in the duties of responsible parenthood, and communication and mutual trust are fostered between themselves and God. Couples who practice NFP experience divorce at about one-tenth the national rate of divorce for first time marriages.

During NFP Awareness Week, I would like to thank those married couples who live out their marriage commitment to free, total, faithful and fruitful love. I encourage all married couples and those preparing for marriage to reflect on their current or future marriages and the way they can authentically and responsibly live out their parenthood. If you have not considered NFP, I encourage you to take a class and discover the richness of NFP. Please visit our website at: [www.diocesepb.org/naturalfamilyplanning](http://www.diocesepb.org/naturalfamilyplanning) For classes, resources and additional information or call 561 - 775-9524.

## Catechism Question

### 330. What is interior penance?

It is the movement of a "contrite heart" (*Psalms 51:17*) drawn by divine grace to respond to the merciful love of God. This entails sorrow for and abhorrence of sins committed, a firm purpose not to sin again in the future and trust in the help of God. It is nourished by hope in divine mercy.

## Pro Life Corner

Abortion on demand is "legal" because babies can't vote. However, you can. *Vote pro-life!*

## The Development of Gabriela

### Week 18

*When I am sleeping, I have REM (rapid eye movements), which means I am dreaming, but I can't remember my dreams. My vocal cords have formed but I don't make a sound ~ must be because there is no air in here. Isn't it amazing that I'm able to breathe "underwater," inhaling and exhaling small amounts of amniotic fluid?*

### ~ Bishop's Letter continued

With every prayerful wish, I am  
Sincerely yours in Christ,

Most Reverend Gerald M. Barbarito  
Bishop of Palm Beach

## Kids Staying Home Alone

With everything parents have to juggle these days, the time may come when families have to leave a child home alone. There are a number of important things to consider before allowing your child to stay home without you.

### You should...

- Assess your child. Make sure he or she is mature enough to handle this responsibility. Ask your child how he or she feels about being alone.
- Define rules and expectations to help ensure your child maintains a daily routine while home alone.
- Keep a list of numbers close to the telephone including those for you, other trusted adults, 911 and other emergency services.
- Create practice situations and be sure your child understands what to do in specific emergencies such as a fire or loss of electricity.

### Make sure your child knows....

- His or her full name, address and telephone number along with your full name and how to reach you
- He or she should never open the door for someone unless that person is on a preapproved list of trusted adults you have provided.

### Also make sure your child knows how to...

- Contact 911 in case of an emergency.
- Carry his or her key so it is hidden and secure
- Lock the door after entering and make sure the home is secure.
- Tell callers you're unavailable instead of saying he or she is home alone.
- Check with you immediately upon returning home to let you know he or she has safely arrived.

## St. Joachim & St. Anne ~ July 26

Dear Saint Anne and Saint Joachim, parents of the Blessed Virgin Mary, and grandparents of Jesus, our Divine Savior, have pity on thy loving and trusting child, and listen to the petition which I present before thee.

Oh, blessed Saints, thou art both most dear to the Heart of Jesus, Whose beloved Mother was thy own tender, devoted child!

Can He refuse anything to thee, in whose veins the same blood flowed which afterwards furnished the precious price of our Redemption? Great Saints, nothing was impossible to thy power and influence over the young Jesus "Who grew and waxed strong, full of wisdom" under the maternal care of

thy glorious Daughter, the queen of Heaven and Earth. In mercy and compassion, be like unto Him

"Who went about doing good," and come to the aid of thy servant in my great necessity!

Saint Anne, Saint Joachim, beloved parents of Mary, "our life, our sweetness and our hope,"

pray to her for me and obtain my request. Amen.
